

Blasting - Lasers and Paint

Lasers

TIME supplies high quality lasers of exceptional accuracy. Our lasers are made in the US to the highest specifications and valued by our mining customers for their solid construction, accuracy and ease of use.

Additional lasers and accessories are available. Please contact us for more information.

DUAL BEAM ALIGNMENT LASER

Features:

- 2-eye visible laser beams shoot in opposite directions; align two points from middle
- Extend alignment accuracy by using one beam as a tacking point; halves the actual working distance
- Magnetic base clamps to metal equipment
- Hard anodized means superior abrasion resistance
- Weather sealed with o-rings
- Includes precision "Glow in the Dark" 5 minute of arc level vial; accurate 1/8" at 100 ft.

Accessories available for L202:

- Beam Bender for 90° layouts
- Beam Spreader for plumb and horizontal level line
- Mounting Collar (required with Beam Bender and Spreader)
- Leveling Adapter Plates for tripod mounting
- Support Bracket for pulley alignments

Product Number	Description
431-50	Model L202
