

Fluid & Air Transfer - Hose Reel

Reels

Heavy Duty Large Capacity Safety Hose Reels

Large capacity reels have a larger chassis and frame to accommodate longer lengths and larger diameters of hose. The large mounting base provides greater stability in off-road applications. Each reel is supplied standard with a locking ratchet to hold the desired length of hose tension free. With a minimal pull on the hose, the latch will release and the hose will retract and wind in a steady, controlled motion.

Available for low, medium and high pressure hose use.

Hose I.D.: 1/4" – 3/4" Pressure: to 5,000 PSI

Features:

- Auto rewind easily wraps, stores and protects hose
- Proprietary powder coat process
- Heavy gauge 1/4" steel base and support post
- Factory-matched cartridge-style spring motor
- Solid machined brass swivel inlet machined from solid steel (zinc plated steel on HP models)
- 1" solid steel axle with 1" lubricated precision bearings
- Guide arm adjusts to wall, floor and overhead positions
- Multi-position lock ratchet secures hose at desired length
- Non-corrosive stainless steel spring, pawl & zinc plated ratchet

Product Number	Hose Size	PSI	Approx. Lbs
EZ-SH-350	3/8"	300	50
EZ-SH-3100	3/8"	300	71
EZ-HP-150	1/4"	5000	64

Static Discharge Cable Reels

Coxreels Static Discharge Reels provide for the fast and convenient payout and retraction of static grounding cable. They are specifically designed to be used in combustible environments where the static buildup could ignite a spark and subsequent explosion. All models feature Coxreels' patented EZ-Coil™ controlled retraction. EZ-Coil™ retracts up to 80% slower than conventional spring driven reels to promote operator safety and reel longevity.

Hose I.D.: 5/32" O.D.

Features:

- Patented EZ-Coil® Rewind Safety System: retraction speed 2 to 5 feet per second
- Proprietary powder coat paint
- 3/32" diam. 7 x 7 galvanized steel cable
- 3/32" diam. 7 x 7 stainless steel cable supplied on -1 models
- Includes cable, stop & 50 AMP grounding clamp
- Non-sparking locking ratchet secures reel at desired length
- Non-corrosive stainless steel spring, brass, pawl & zinc-plated ratchet
- High visibility orange vinyl cable cover
- Heavy duty solid steel construction
- Multi-position arm guide
- Solid rubber cable stop
- 50 amp grounding clamp

Product Number	Cable Diameter inches	Approx. Lbs
EZ-SD-50	3/16"	20
EZ-SD-100	3/16"	32
